

Feedback 1 – Vildan

M: At first sight what do you think about the concept of our prototype?

V: I like it. I think it's a good and innovative idea.

M: If you could have a look at the chat function, what do you think about it?

V: I don't really like the Idea of having a public chat. I would rather like a private chat, where you can have separate conversations.

M: What would you change about the feed function?

V: I would like to see the European Championship 2022 segment at the top.

M: Do you think we can improve the map function?

V: No, at least I think so. I like it. I think its really cool, that you can see the different sport clubs, which participate.

M: What do you think about our matching function?

V: I get the idea and really like the concept. Unfortunately it isn't finished yet. I would love to see the final product.
